IRS Warns of Latest Scam Variation

The IRS Will Never:

- Call to demand immediate payment over the phone, nor will the agency call about taxes owed without first having mailed you a bill.
- Threaten to immediately bring in local police or other law-enforcement groups to have you arrested for not paying.
- Demand that you pay taxes without giving you the opportunity to question or appeal the amount they say you owe.
- Require you to use a specific payment method for your taxes, such as a prepaid debit card.
- Ask for credit or debit card numbers over the phone.

If you get a phone call from someone claiming to be from the IRS and asking for money and you don't owe taxes, here's what you should do:

- Do not give out any information. Hang up immediately. Contact TIGTA to report the call. Use their "[IRS Impersonation Scam Reporting](#)" web page or call 800-366-4484. Report it to the Federal Trade Commission by visiting [FTC.gov](#) and clicking on "File a Consumer Complaint." Please add "IRS Telephone Scam" in the notes. If you think you might owe taxes, call the IRS directly at 1-800-829-1040.

Pastor's Corner—We are studying pilgrimages and the "I" in witness. When you vacation this summer remember to relax and re-create... making your trip a pilgrimage by including these things:

- Time away from the routine so that the questions you have about your faith may rise to the surface. Discover the answers to your faith questions by watching for God at work.... And joining in.
- Realize that most of the value of your journey is in the journey itself. Don't shortchange the trip by asking constantly, "Are we there yet?" Take each day as it comes.

Most pilgrims will anticipate spending what it takes as an "over and above commitment" on their pilgrimages.... Don't leave home without giving God thanks and your tithes as a faithful disciple/member of the Body of Christ *before* you leave home, before you begin your pilgrimage. Blessings! Pastor Liz
